ONLINE EDUCATION PROGRAMS

PROGRAMS CAN BE REGISTERED ANYTIME DURING SEMESTER

ONLINE ACLS PROVIDER

This web based ACLS Provider Course is designed to provide the knowledge and skills needed to evaluate and manage the first 10 minutes of adult ventricular fibrillation/ventricular tachycardia (VF/VT) arrest. Providers are expected to learn to manage 10 core ACLS cases: a respiratory emergency, on four types of cardiac arrest (simple VF/VT, complex VF/VT, PEA, and asystole), or four type of prearrest emergencies (bradycrdia, stable tachycardia, unstable tachycardia, and acute coronary syndromes), and stroke. Upon successful completion of this Internet program, the student will be awarded up to 6 hours of continuing medical education through the American College of Emergency Physicians (ACEP). To receive an ACEP Certification Card, the student must complete a practical skills test. (Student textbooks may be purchased directly from Jones and Bartlett Publishing.)

ON-LINE	THRU 5/31/2010	Fee: $50	YXB401	57820	N10SP

ONLINE ACLS PROVIDER PRACTICAL EXAMINATION

This class is designed to test the competencies of the student related to Advanced Cardiac Life Support. Successfully completion of YXB401 (Online ACLS is required prior to entry). Upon successful completion of this program, the student will be awarded the American College of Emergency Physicians (ACEP) Certification Card for Advanced Cardiac Life Support.

BY APPOINTMENT ONLY	THRU 5/31/2010	Fee: $25	YXB402	57831	N10SP

ONLINE ADULT CPR

Learn to save the life of a loved one, friend, co-worker, or a citizen in your community with the skills you learn in this highly interactive Adult CPR Course. The victim of an emergency such as a heart attack, cardiac arrest, stroke, or foreign-body airway obstruction (choking) can be saved if people at the scene act quickly to start the Chain of Survival. In this course, you will learn the critical actions that compose the chain of survival. You will learn the symptoms, methods of treatment including rescue breathing, adult CPR using the latest CPR guidelines, and how to operate an automated external defibrillator (AED), prevention practices, and when to call 911.

ON-LINE	THRU 5/31/2010	Fee: $15	YXB412	57813	N10SP

This program is designed to test the student competencies related to the Online Adult CPR program. Successfully completion of YXB412 (Online Adult CPR Training is required prior to taking this class). Upon successful completion of this program, the student will be awarded the American College of Emergency Physicians (ACEP) Certification Card for Adult CPR Training.

BY APPOINTMENT ONLY	THRU 5/31/2010	Fee: $20	YXB413	57813	N10SP

ONLINE ADULT & PEDIATRIC CPR

As a childcare provider, you have the important job of caring for and nurturing young children. In addition to the nurturing aspects, you must be thinking constantly about the safety of children. The Pediatric CPR Course bridges the gap between traditional adult CPR and the special needs for infants and children. This course will teach you basic life support including rescue breathing, CPR using the latest CPR guidelines, and care for foreign-body airway obstruction (choking). Providing basic life support is the most important contribution you can make to a child's welfare.

ON-LINE	THRU 5/31/2010	Fee: $15	YXB414	57813	N10SP

ONLINE ADULT & PEDIATRIC CPR PRACTICAL EXAM

This program is designed to test the student competencies related to the Online Adult & Pediatric CPR program. Successfully completion of YXB414 (Online Adult & Pediatric CPR Training is required prior to taking this class). Upon successful completion of this program, the student will be awarded the American College of Emergency Physicians (ACEP) Certification Card for Adult & Pediatric CPR Training.

BY APPOINTMENT ONLY	THRU 5/31/2010	Fee: $20	YXB415	57813	N10SP

ONLINE FIRST AID & CPR PRACTICAL EXAMINATION

This program is designed to test the student competencies related to the Online First Aid and CPR program. Successfully completion of YXB409 (Online First Aid & CPR Training is required prior to taking this class). Upon successful completion of this program, the student will be awarded the American College of Emergency Physicians (ACEP) Certification Card for First Aid & CPR Training.

BY APPOINTMENT ONLY	THRU 5/31/2010	Fee: $25	YXB410	57820	N10SP

ONLINE FIRST AID PRACTICAL EXAMINATION

This program is designed to test the student competencies related to the Online First Aid program. Successfully completion of YXB418 (Online First Ad Training is required prior to taking this class). Upon successful completion of this program, the student will be awarded the American College of Emergency Physicians (ACEP) Certification Card for First Aid Training.

BY APPOINTMENT ONLY	THRU 5/31/2010	Fee: $20	YXB419	57813	N10SP

ONLINE FIRST AID TRAINING

Most people will eventually find themselves in a situation requiring first aid, either for themselves or for others. Properly applied, first aid can mean the difference between life and death, rapid recovery and long hospitalization, or temporary versus permanent disability. Consistent with OSHA regulations for first aid training in the workplace, the First Aid Course covers bleeding, broken bones, burns, seizures, and heat and cold related emergencies. After all, it is better to know first aid and not need it than to need it and not know it.

ON-LINE	THRU 5/31/2010	Fee: $15	YXB418	57813	N10SP

ONLINE PEPP (PEDIATRIC RESPIRATORY EMERGENCIES) PROVIDER

The goal of this PEPP Provider Course is to teach students how to recognize the signs for infants and children at risk for cardiopulmonary arrest, to provide students with strategies for preventing cardiopulmonary arrest in infants and children, and to teach students how to perform the cognitive and psychomotor skills for resuscitating and stabilizing infants and children in respiratory failure, shock, or cardiopulmonary arrest. Prerequisite: Certification/license as an EMT-P, PHRN, MD, DO, or RN. Upon successful completion of this Internet program, the student will be awarded up to 7 hours of continuing medical education through the American College of Emergency Physicians (ACEP). To receive an ACEP Certification Card, the student must complete a practical skills test. (Student textbooks may be purchased directly from Jones and Bartlett Publishing.)
