

Articulation Agreement between Community College of Allegheny County and Carlow University to Affirm PA-TRAC Programs

Purpose

This articulation agreement establishes a transfer articulation/affirmation agreement between Community College of Allegheny College (CCAC) and Carlow University (CU). Its purpose is to provide CCAC graduates who have earned specific Associate of Science or Associate of Arts degrees the opportunity to pre-plan their college careers and smoothly and seamlessly transfer to Carlow University to complete a Bachelor of Arts (BA) or Bachelor of Science (BS) degree at Carlow University.

The parties to this agreement acknowledge that CCAC and Carlow are signatories to the PA-TRAC agreements administered by the Commonwealth of Pennsylvania. However, it is the stated purpose of this agreement to encourage more CCAC students to take advantage of this Program to Program transfer opportunity. It is also noted that CU is the only private higher education institution within western Pennsylvania that is a TAOC participating member. Statewide Program-to-Program (P2P) Articulation Agreements allow students at PA TRAC colleges to transition seamlessly from an associate's degree to a bachelor's degree in similar programs of study. Following is a chart of programs at CCAC in which students can seamlessly transfer to Carlow University with Junior status and a waiver of general education requirements provided they meet admissions criteria.

Specific Programs: Any CCAC A.S. or A.A. graduate can transfer into **Liberal Studies** at CU except PreK-4.
