

guest@ccac Access

Instructions

1. Click on the **Wireless Tray** icon in the System Tray. From the list of available networks, click on **guest@ccac** and then click **Connect**.
2. Enter your **Username** and **Password**, click the checkbox to accept the terms of use and click **Log In**.

 A screenshot of the ClearPass Guest login page. The page features the Aruba Networks logo and the CCAC logo. It prompts the user to enter guest credentials. The form includes fields for 'Username' and 'Password', a checkbox for 'I accept the terms of use', and a 'Log In' button. Below the form, there are two links: 'Here' for self-registration and 'Here' for onboarding a device. A red arrow points from the 'Here' link for self-registration to step 3 of the instructions.

3. If you do not have a Guest Account, you may **Self Register** by clicking this link.

 A screenshot of the ClearPass Guest 'Visitor Registration' form. The form is titled 'Visitor Registration' and contains several required fields: 'Your Name', 'Phone Number', 'Mobile Carrier' (a dropdown menu), 'Company Name', and 'Email Address'. There is also a 'Confirm' checkbox for 'I accept the terms of use'. A 'Register' button with a green checkmark is located at the bottom of the form.

4. Complete the form, click the check box to **accept the terms of use** and click **Register**.

- You will receive a Visitor Registration Receipt. Your Guest Credentials will be sent via SMS and Email.
