BETTER TOGETHER.

CCAC + CARLOW

RN-BSN JOINT ADMISSION

THE CARLOW DIFFERENCE

Where you earn your BSN matters—because it’s a degree that will open professional doors and take your career in new directions.

Graduate from CCAC with your ASN, earn a 2.0 GPA or higher and pass the NCLEX—and you will be officially admitted to Carlow’s BSN program!

+ As a CCAC+Carlow student, you can participate in campus programs and activities—and use our email, fitness center, library, and so much more.

+ Take one non-nursing course at Carlow at the CCAC tuition rate!

+ Save time and money. Students who obtain a 3.0 or higher after their first term at Carlow can take up to 12 credits toward an MSN degree while completing the BSN. Save approximately $10,000!

FAQ

Am I a full Carlow University student once I am accepted into this agreement?

You will be considered conditionally admitted to Carlow University until you have graduated from CCAC with your Associate of Science in Nursing (ASN) degree, earned a 2.0 GPA or higher, and have successfully passed the NCLEX—at which point you will be officially admitted to Carlow.

How do I apply?

+ Students who are admitted to the CCAC ASN program should contact Amber Reed at 412.237.4556 or areed@ccac.edu for joint admission details.

+ Students who are not yet admitted to the CCAC ASN program should contact their CCAC counselor for more information.

What are the benefits?

+ You will receive a Carlow student ID with privileges to participate in campus programs and activities and use Carlow facilities.

+ Your Carlow University transfer counselor will meet with you to discuss your plan of study and review the CCAC/Carlow University Transfer Guide.

+ A Personal Transfer Credit Evaluation will be completed by the Carlow University Registrar’s Office.

+ You are eligible to receive pre-major advising by a Carlow University admission counselor. Please contact Wendy Phillips at 412.578.8861 or wsphillips@carlow.edu for more information.
