The CCAC Counseling Department offers transfer, personal, career and academic counseling to promote student growth, discover individual potential, plan academic and career goals, and manage the stresses of student life.

**Career Counseling**

Students who wish to gain more information about themselves in relation to a potential career are invited to schedule an appointment for assessment. Once interest and personality inventories have been completed, an evaluation is provided by a counselor, and students can begin to make appropriate educational and career plans.

**Transfer Counseling**

Over half the students at CCAC plan to transfer to four-year colleges and universities to continue their education. Students should meet with a counselor to identify the college they plan to attend after CCAC and the major they intend to pursue. Counselors assist students by helping them select courses that are transferable to four-year colleges and universities. CCAC has articulation agreements with a variety of institutions to ensure the transferability of CCAC courses.

**Personal Counseling**

Counselors assist students with a variety of academic and personal concerns in an open and accepting environment. Issues may include work/life balance struggles, substance abuse, suicidal ideation, anxiety, depression, loneliness, fear of failure, relationship...
