YOU WILL BE A CARLOW STUDENT, TOO!
Jointly enrolled students receive a Carlow ID for access to Carlow events and resources while they are still students at CCAC.
Career planning and advising available from both institutions.
Am I a full Carlow University student once I am accepted into this agreement?
You will be considered conditionally admitted to Carlow University until you have graduated from CCAC with your Associate of Science in Nursing (ASN) degree, earned a 2.0 GPA or higher, and have successfully passed the NCLEX—at which point you will be officially admitted to Carlow.

Whom do I contact regarding joint admission to CCAC and Carlow University?
• Students who are admitted to the CCAC ASN program should contact Amber Reed at 412.369.4176 or areed@ccac.edu for joint admission details.
• Students who are not yet admitted to the CCAC ASN program should contact their CCAC counselor for more information.

What are the benefits of being admitted to Carlow University to complete my RN-BSN?
• You will receive a Carlow student I.D. with privileges to participate in campus programs and activities and use Carlow facilities, such as:
  — CelticOnline  — Fitness center  — Carlow University portal privileges
  — Library services  — Email  — Printing services
• Your Carlow University transfer counselor will meet with you to discuss your plan of study and review the CCAC/Carlow University Transfer Guide.
• A Personal Transfer Credit Evaluation will be completed by the Carlow University Registrar’s Office.
• In addition to cross registration, students in the CCAC/Carlow University Joint Admission RN-BSN program may take one additional non-nursing course at Carlow University at the CCAC tuition rate.
• You are eligible to receive pre-major advising by a Carlow University admission counselor. Please contact Monica D. Sieber for more information about the RN-BSN to MSN programs.

CARLOW is a private, co-educational, Catholic university located in the heart of Pittsburgh’s “Tech, Ed, and Med” district. Founded by the Sisters of Mercy, Carlow’s graduates, curriculum, and partnerships reflect its strong commitment to social justice; ethical, forward-thinking and responsible leadership; and service to the community that has a meaningful impact. Undergraduate and graduate degrees are offered in three major areas: Health and Wellness, Leadership and Social Change, and Learning and Innovation. Carlow graduates are in demand for their professional expertise, in fields ranging from nursing, the sciences, and perfusion technology to counseling, education, and forensic accounting; their entrepreneurial spirit and creative mindset; and their ability to manage change.
