**\*\*IMPORTANT: Pre-registration, with payment, required 2 weeks before the program starts\*\***

The EMT course prepares students with the knowledge and skills to provide basic level emergency care in a pre-hospital setting. This course is aligned with the National Education Standards for EMT as approved by the PA DOH (Pennsylvania Department of Health). Students will learn emergency care for cardiac arrest, medical emergencies, trauma emergencies, patient assessment techniques, oxygen administration, pharmacology for emergency care and EMS Operations. Students must be able to meet all requirements for the Functional Position Description for EMT. The course will include classroom sessions, skill labs, and a required clinical rotation in a hospital or other approved facility.

**Background checks, physical exam and appropriate blood work/immunizations are required prior to starting the clinical requirements.** Additional immunizations may be required by some facilities. The required health form will be distributed in class.

### Course Requirements

- Student must be 16 years of age at the start of the class.
- Student must have access to a computer with internet service capabilities and a printer. Student must complete the class with a 75% or greater.
  - Students will have the opportunity to take online quizzes. One bonus point will be applied to the student's exam scores for each passing quiz.
- Student must complete a minimum of 10 patient contacts in an approved setting. More information will be provided on the first day of class.
  - Additional requirements may be required by the EMS or Hospital precepting location. All additional requirements are the responsibility of the student's expense to meet.
- Student must complete the PA train independent study course for Hazardous Material Awareness online. This course is not part of course curriculum and must be obtained outside of class. Certificates that were obtained prior will be accepted but must be **less than one year**.
  - ICS 100: <http://training.fema.gov/emiweb/is/is100b.asp>
  - NIMS 700: <http://training.fema.gov/emiweb/is/is700a.asp>
- Student must meet the Functional Position Description for an EMT as defined by the Pennsylvania Department of Health (this will be discussed further the first night of class).

**Physical Exam, Blood Work/Immunizations, and Background Checks are not required prior to the start of class.**

- Student must obtain, at your own expense, a physical examination from a physician and the following blood screenings:
  - Evidence of a 2-step PPD Tuberculin Skin Test within the past 12 months.
    - **If the PPD is positive, a negative chest x-ray within the past 12 months must be provided.**
  - Evidence of immunity to Rubella, Mumps, Measles and Varicella.
  - Immunization for Hepatitis B- antigen and antibodies.
