

Looking for a new career?
Wish you could enter the fast growing health care field?

Enroll in Home Health Aide Training Today!

Home Health Aide—Basic Training Course

This program will prepare students for employment as a home health aide. The program includes an online self-learning module followed by a 20-hour skills lab facilitated by an RN or LPN. The skills lab will include bathing and mechanical lift usage as well as other activities of daily living skills.

Participants will receive a course completion certificate.

This course is FREE to those who qualify!

STUDENTS MUST:

- Be at least 18 years of age
- Complete a Pennsylvania Criminal Background Check
- Apply and be accepted into the Health Profession Opportunity Grant (HPOG)
- Have access to a laptop computer (laptops are available for those without access—please request at time of registration)
