I agree that once I register I become legally bound by and agree to the terms of the Community College of Allegheny County Student Financial Responsibility Agreement, and as such become responsible for all charges incurred, unless I drop classes during the designated refund period. I understand that the college is extending credit to me and permitting me to register, enroll and attend classes in return for my promise to pay the college all tuition and fees incurred as a result of my registration, and that such extension of credit constitutes an educational loan or education benefit that is non-dischargeable under Section 523 (a)(8) of the United States Bankruptcy Code. I understand that failure to pay my student account or any monies due and owing will result in a financial hold placed on my account preventing registration for future classes, release of transcripts and diplomas, and additional college services. Additionally I understand that failure to pay my student account or any monies due and owing will result in a $15.00 late payment fee assessed to my account for each late payment and may result in my account being referred to a third party collection agency resulting in additional fees. Finally, I understand that all delinquent student accounts may be reported to one or more of the national credit bureaus.

If you require special arrangements, contact the nearest CCAC Supportive Services office prior to class.
