

Training & Education Partnership: This is a pay-as-you-go program with a maximum cost for training of \$1500 per calendar year for a participating member. This amount does not include Entry Level Programs, Vehicle Rescue or Structure Burn classes. Make training request by completing the PA State Fire Academy Local Level Course Application and sending it to psi@ccac.edu or faxing it to 412.237.4628 and completing the MOA (memorandum of agreement) process.

Program Fees for Members: Course fees will be charged according to the attached Fire & Rescue Course Fee Catalog for the then active calendar year. Member agencies will incur a maximum cost of \$15000 training annually. Excludes EL14 Entry Level Programs, Vehicle Rescue Awareness and Operations and Structure Burn classes. Memberships are valid from January 1 through December 31 of the same calendar year. Most courses can be offered with as little as a 10-student minimum and some courses also have materials fees. Check when making your request(s).

Custom Courses: For customized courses (contract training) not shown in the Fire & Rescue Course Fee Catalog, CCAC PSI will review the course and coordinate with the agency member to negotiate and establish the fee on a per course basis.

Manuals/Books: Handouts will be provided for the course if needed. Should courses require or recommend manuals/books or a published text, it will be the responsibility of either the student or the sponsoring agency to acquire/purchase these. Some programs will provide manuals.

This listing is not inclusive, there are many other programs, including customized training for your department. Call 412.788.7507 or 412.237.2500 you can also email psi@ccac.edu for more information

Some programs do have pre-requisites and age limits. Some programs do offer PA Department of Health continuing education credits for successful completion.

All Requests must be submitted at least 4-6 weeks before program start date.
